Riding Course with Gesa Flemming at the Gymkhana Club Windhoek on 30.10.09-01.11.09

Who wants to work on the basics of horse and rider? I want to give everybody the chance to improve the seat of the riders which is a prerequisite for a forward – downward moving horse.

The jumping side of the course will concentrate on cavaletti and gymnastic work with the result of improving seat, balance of horse and riders, confidence and the eye of the riders.

Who can participate? Everybody who wants to improve on the basics of his horse and himself. I will try and arrange for groups according to the level of horse and rider.

Stabling for the weekend will be free of charge.
Everybody to arrange for own horse food.
Please arrange with Mrs. Alexandra Röhl for stabling at e-mail: alexandra@weckevoigts.com.na
