

Dear riders,

Between 20 and 27th September, shortly before Sphinxblick, the well known British Eventing accredited coach and British Horse Society instructor Darell Scaife will be in Namibia and is willing to give a clinic about eventing.

The options about this clinic are a course in Dressage and the Showjumping phase (maximum eight competitors, cost about N\$500,- per rider), or Dressage alone or a workshop about the training of the eventing horse. If we can get 16 riders together, the fee might go down as low as N\$250,- per rider. The clinic is held in one day (if there is interest enough, two days with abovementioned options, but then the fee would be the daily fee) and Darell takes only two riders in a session of 1hr 15min. to be able to fully concentrate on the individual.

Dear riders, please let me know as soon as possible whether you are interested in this clinic, in which option – preferably by email to: okap@iway.na or phone 081 274 4659. The fees depend on the amount of riders and the exchange rate but will be made known in due time.

With kind regards

Detlev Voigts
