

Show Jumping Judges and Course Designer clinic held in Namibia

We are thrilled to announce that, in collaboration with the FEI Challenge in August 2010, Mary Binks will be offering clinics for Course Designers and Show Jumping Judges.

Mary Binks, who hails from Kenya, is a recognized FEI Course Designer and Judge, and also the FEI Zone IX Chairperson. Apart from sharing her expertise with us, she will also be judging our FEI Challenge at Gymkhana Club Windhoek this year.

Officials and other interested parties from Namibia, South Africa, Botswana, and other Zone IX countries are cordially invited to these clinics.

This is an opportunity not to be missed. With the intention of improving / upgrading our riding sport, we would like to appeal to all NAMEF Judges, Course builders and applicants, as well as **ALL** other interested parties (riders, parents etc.) to attend these clinics. At the end of each clinic an exam will be written, after which we hope to promote some judges/course designers.

These clinics unfortunately have to be conducted during the week, as the weekends are occupied by tournaments.

As the FEI is subsidizing this endeavour to a certain extent, we will be able to offer these clinics free of charge. Breakfast, lunch & drinks will be available at own expense.

The dates are:
