Saturday we offer a practise day for all riders and Sunday is the practise show:

As from 08h00 until 11h00 (times will be depending on how many riders are taking part) there will be a dressage seminar, where each rider has the possibility to practise his/her test for Sunday under supervision and assistance from Silke Jendretzky (riding teacher). She will help with all the fine points and also give very valuable tips for the riding of a dressage test. Silke Jendretzky is a qualified FN Riding teacher and competed very successfully in Jumping and Dressage until Class M and S. She is now living at the Gymkhana. The costs involved for the clinic would be N\$ 100.00 per rider for 30 minutes. Please enter and inform of which test you would like to ride with the entry.

As from 10h00 until 16h00 (times will be depending on how many riders are taking part) there is also a possibility to practise the parcours in detail for Sunday. Mr Steffen Kuhn, Course builder from Germany and successful trainer of riders from Germany and South Africa will be assisting the riders. Both of them hope to give each rider the chance to prepare themselves and their horses for the upcoming show season and hoping to help the riding community for the near future. The costs for the jumping clinic will also be N\$ 100.00 per rider and has to be entered with the entry. (3 riders per group for approx. 45 minutes). We wish all riders a fun and success and hope for numerous participants. If there is anything you would like to know about the above mentioned – please do not hesitate to contact Steffen or Silke at any time – Contact Number : 0855819593 or Alex at 0811288989 {This time we will build a easier course for the beginners and a more advanced course for the advanced riders. }
